Make

The **Maker's Market** is back! Wind your way through the stalls and sample the very best of handcrafted art, craft, fashion and food from our carefully curated selection of master makers.

See

We're bringing **amazing family theatre** out onto the streets for everyone to watch! Come and experience our free performance programme popping up across Blackburn to amaze and entertain audiences of all ages.

Taste

Get involved by testing out your culinary skills, or just sit back, relax and let our cohort of mouthwatering **food and drinks vendors** take care of the rest.

Hear

Fancy trying a **music workshop** or exploring a sensory landscape with the little ones? We've got live music and public performances to get the drums banging and your feet tapping across the weekend.

Do

With over **100** free and low cost creative workshops, there's something for everyone from traditional crafts for kids, or workshops for those with experience in making. Whatever your curiosity, turn up and try something new!

ART IN MANUFACTURING

What happens when you cross five of the UK's most **adventurous artists** with the machinery and expertise of five **premiere industrialists**? Explore this exciting crossover between art and industry as our 2019 artists investigate how and why we make, from local to global scales.

And much, much more!
